

TUBERCULIN SKIN TESTING EXEMPTION

Fresh Staffing Solutions

I _____ (physician's name) recommend that my patient, _____
be exempt from tuberculin skin testing (TST) for the following reason: _____

I understand that the U.S. Centers for Disease Control and Prevention and the Minnesota Department of Health consider TST to be valid and safe during pregnancy and recommend that pregnant women with risk factors (e.g., healthcare workers) for exposure to tuberculosis (TB) should receive testing. I understand that not having TST screening may place my patient at risk for developing TB.

Physician Signature: _____ Date: _____

Clinic name and phone number: _____

I _____ (employee) have read the above information and understand that tuberculin skin testing is generally considered safe in pregnant women. I understand that if I do not have a TB skin test, I may be at risk for developing TB.

Signature: _____ Date: _____
